As a player-cum-affiliate myself, a number of Meister forum regulars have asked for information on becoming online casino affiliates.. But it is possible, and while it's become a very competitive market, opportunities still exist for the dedicated affiliates.. So I've put together my take on what it takes to make a go of it It's easy to get something up and running, but hard to make it pay, and even harder to make a living from it unless you have a few things going for you.
